Warehouse Campus Oss

Sustainability initiatives

- ✓ Participation in Lean and Green program
- ✓ Extra-long trailer concept: Super Eco Combi (SEC)
- ✓ BREEAM warehouses and solar panels on rooftops
- ✓ SolarOnTop: piloting solar panels on top of trucks
- ✓ Energy efficient regional distribution and European transport with LNG trucks
- ✓ Electric trucks with 0% CO₂ emissions in the Benelux
- ✓ Our approach to drive the energy transition
- ✓ Different participations and initiatives

Lean & Green Europe

The proven European logistics community that is tackling CO2 emissions

LEAN & GREEN / 3e Ster

25 mei 2021

LEAN & GREEN / 1e Ster

14 mei 2014

LEAN & GREEN / Deelnemer

10 nov 2010

External program with objective criteria in which you demonstrate your company's responsibility in terms of sustainability

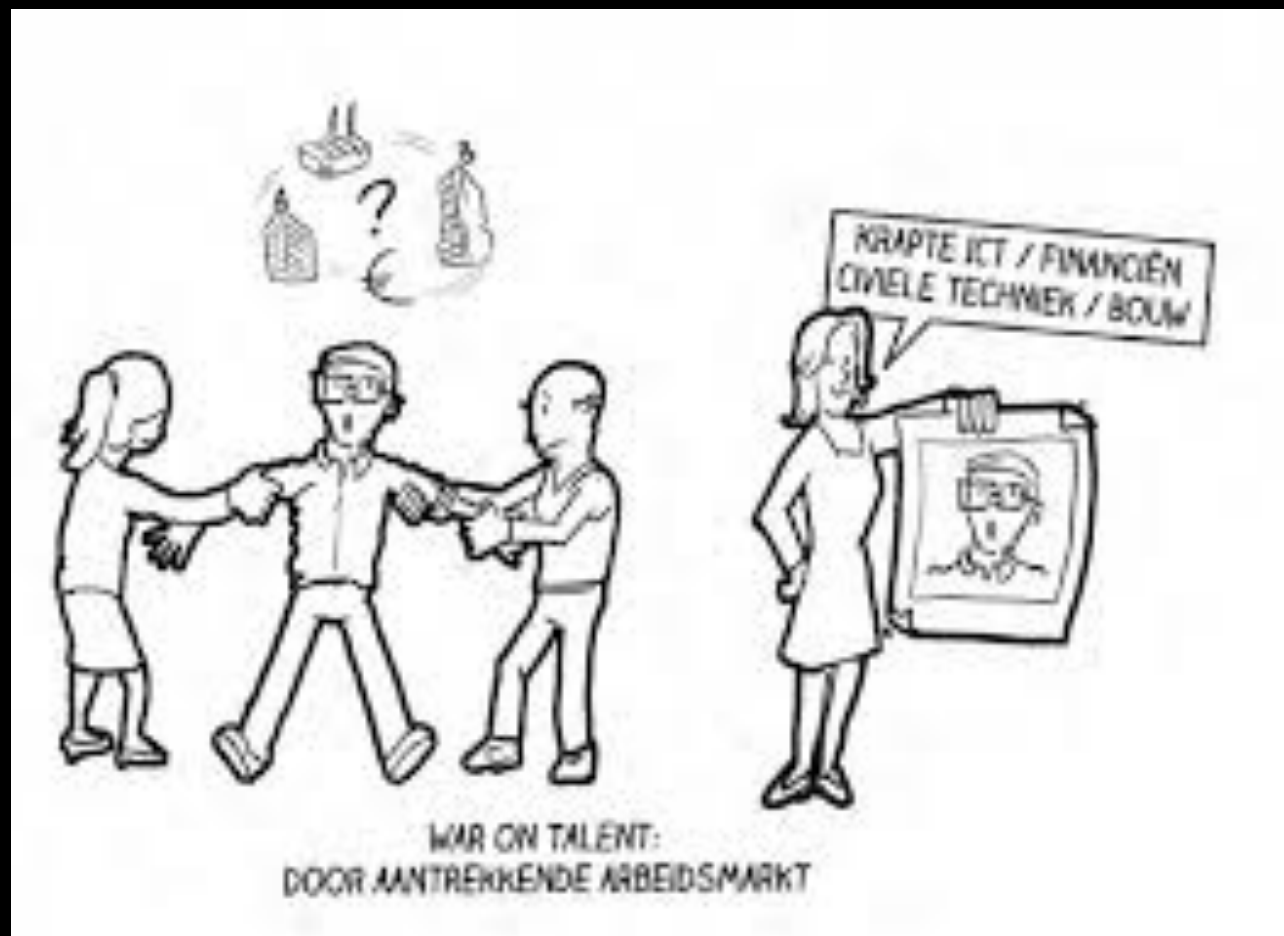

Vos Logistics has received the 3rd star from Lean and Green

Vos had 1 star since 2014, but the CO2 reductions and supply chain initiatives have been appreciated with the 3rd (currently highest) star
